

Bleach-Wipe 1:100

DILUTED BLEACH WIPE FOR SURFACE CLEANING

Ideal for cleaning hard non-porous surfaces including the following:

- Medical, Dental & Lab Counters
- Exam Tables & Carts
- Dialysis Machines
- Point of Care Equipment
- Sinks and Counter Tops
- Treatment Rooms
- Lockers

Bleach-Wipes are available in single-towel or double-towel packages.

The double-towel packages are convenient for wiping down two different surfaces, large surfaces and re-wiping surfaces that may be dirty.
