

ANIOSGEL 85 NPC

*When comply
doesn't rhyme with dry.*

Skin irritation due to hand hygiene is a leading cause of noncompliance[1]. A gentler alcohol formula is the answer to improving your facility's hand hygiene scores.

**High efficacy. High compliance.
We got this.**

- Reduce contamination in 30 seconds
- Well-tolerated, formulated with
 - Bisabolol, a natural anti-inflammatory
 - Plant glycerin and moisturizing agents for superb hydration
- No sticky residue, dyes, or fragrance
- Meets CDC and FDA recommendations for >60% alcohol for battling COVID-19

*Provide your staff a hand sanitizer
they want to use.*

Compliance is in your hands.
